

INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

Jyothika Meduri

We are pleased to offer you the position of **SQL Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **SQL through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to SQL and database-related activities, including database design, writing and optimizing queries, data manipulation, reporting, and performance tuning, gaining hands-on experience in managing and analyzing real-world datasets.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to SQL and database-related activities, including database design, writing and optimizing queries, data manipulation, reporting, and performance tuning, gaining hands-on experience in managing and analyzing real-world datasets.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

Omkar Dhebe

We are pleased to offer you the position of **SQL Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **SQL through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to SQL and database-related activities, including database design, writing and optimizing queries, data manipulation, reporting, and performance tuning, gaining hands-on experience in managing and analyzing real-world datasets.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to SQL and database-related activities, including database design, writing and optimizing queries, data manipulation, reporting, and performance tuning, gaining hands-on experience in managing and analyzing real-world datasets.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.
