

# INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

**Gauri Vibhor Shetye**

We are pleased to offer you the position of **Java Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **Java through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to Java development activities, including object-oriented programming, application development, backend logic implementation, database integration, debugging, and performance optimization, gaining hands-on experience in building real-world software solutions.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

# INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

**HUKAM SINGH**

We are pleased to offer you the position of **Java Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **Java through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to Java development activities, including object-oriented programming, application development, backend logic implementation, database integration, debugging, and performance optimization, gaining hands-on experience in building real-world software solutions.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

# INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

**KAMSALA VENKATA SAI VINAY**

We are pleased to offer you the position of **Java Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **Java through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to Java development activities, including object-oriented programming, application development, backend logic implementation, database integration, debugging, and performance optimization, gaining hands-on experience in building real-world software solutions.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

# INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

**Krishna Kardam**

We are pleased to offer you the position of **Java Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **Java through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to Java development activities, including object-oriented programming, application development, backend logic implementation, database integration, debugging, and performance optimization, gaining hands-on experience in building real-world software solutions.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.

# INTERNSHIP OFFER LETTER

Dear

Date: 30 December 2025

**Manu R**

We are pleased to offer you the position of **Java Developer Intern** at Elevate Labs, effective from **1st January 2026 to 30th April 2026**.

This internship is designed to provide structured learning, hands-on exposure, and practical experience in **Java through real-time projects and guided assignments** aligned with current industry standards. During the internship period, you will be expected to actively participate in assigned tasks, adhere to organizational policies, and maintain professional conduct at all times.

You will work under the guidance of experienced professionals at Elevate Labs and contribute to Java development activities, including object-oriented programming, application development, backend logic implementation, database integration, debugging, and performance optimization, gaining hands-on experience in building real-world software solutions.

Please note that **this letter constitutes an offer of internship only**. An offer letter by itself does not represent or confirm successful completion of the internship. Any **Internship Completion Certificate and/or Letter of Recommendation shall be issued only upon successful completion** of the internship duration, satisfactory performance of all assigned responsibilities, and full compliance with the policies, standards, and guidelines of Elevate Labs.

We believe this internship will provide **valuable professional exposure** and contribute meaningfully to your career development. We look forward to welcoming you to the Elevate Labs team.

Kindly **acknowledge your acceptance of this offer** by replying to this letter.
